

Kindergarten – Mrs. Harry

1. A book bag and a lunch box for lunches/snacks. Please make sure all items are labeled. Children tend not to know what is for lunch or snack for the first few weeks. Some ideas are to pack them separately, label with a symbol like a smiley face, an L and an S or put them in color coded containers. Please write your child's name on backpacks and lunch boxes.
2. Slider food storage baggies - gallon size (Boys).
3. Slider food storage bags - quart size (Girls).
4. A sturdy (we recommend plastic) folder for school papers. Please write your child's name on the outside of the folder. This will be used daily.
5. Two boxes of tissues for class use.

**We recommend that your child have pencils, crayons, a pair of scissors and a glue stick available for homework. Pencil cases will be provided for kindergarten students.
