

Questions Relating to School Operations. If you have questions regarding school operations, please direct them to your child's teacher or the appropriate staff member via e-mail, or contact the school by telephone. A complete list of staff and their contact information is available to parents online at www.bearcreekschool.com —> Faculty —> Staff Directory. Reminder: Classroom teachers frequently post what is happening in class as well as information about school activities on their individual class web pages, which are accessible through the School's web site at www.bearcreekschool.com —> Faculty —> Teacher Web Pages.

Web Site. Bear Community Charter School maintains a comprehensive web site for use by parents, staff and other stakeholders to share and communicate important information about the School, including school policies, procedures, and activities. ***This is the primary communication source used by the School to disseminate information to parents and families.*** www.bearcreekschool.com

Social Media. Bear Creek Community Charter School will utilize social media to supplement the School's web site to communicate information on school activities and for advocacy efforts. This is a courtesy to parents and other stakeholders but is not the official communication method of the School and should not replace using the School's web site, e-mailing staff, or calling the school office. Charter school staff will not respond to posts on social media, debate on social media, etc. Social media will not be utilized for problem resolution. Use of social media will be limited at the School's sole discretion.
