Dear Parents,

Earlier today, we received a batch file of letters via e-mail that were provided by the Wilkes-Barre Area School District, which included student transportation information. We were notified that the District expected the charter school to communicate this information to parents. **A copy of the individual document for your child, which was provided by the Wilkes-Barre Area School District, is included.**

If you have any questions about this information, please contact the following:

Sylvia Decker, Transportation Coordinator
Wilkes-Barre Area School District
Telephone: (570) 826-7116
E-mail: sdecker@wbasd.k12.pa.us

Janelle Davison, Terminal Manager
Student Transportation of America (STA)
Telephone: (570) 823-8611
E-mail: jdavison@ridesta.com

Student transportation is the responsibility of each student's school district of residence. In this case, Wilkes-Barre Area School District. Historically, the District communicated transportation information directly to families. It appears based on today's unexpected e-mail, that this past practice has changed.

We apologize for the late notice, however, this situation was not within our control.

Sincerely,

A handwritten signature in black ink that reads "Jim Smith". The signature is written in a cursive style with a large, looping initial "J".

Jim Smith
Chief Executive Officer
