

May 2, 2022

**Dear Parents/Guardians,**

Mobilizing equipment and materials for construction will begin on or about **Thursday, May 5th (CHANGE)**, which will prompt operational changes on the Bear Creek Community Charter School campus. Although students, staff and visitors will experience inconvenience over the course of the next 16 months, the end result will have an enormous benefit on our stakeholders and the future of our school. Our goal throughout this process is to ensure safety.

**Parking:** A portion of Parking Lot #2, which is adjacent to the rear play field, will be closed and off-limits during construction. Staff parking will be relocated. Daily visitor parking will overflow into Parking Lot #3 near the Soccer Field. Please anticipate parking further away from school and plan accordingly. Parking is only permitted on paved areas that are intended for parking. Do not park on the grass, along the driveway or anywhere that will block or impede the flow of traffic. Parking will be strictly enforced.

**Student Pick-Up:** Beginning Monday, May 16th, students who are being picked up from school at the end of the school day will be dismissed through the gym doors between 3:15 and 3:30 p.m. Parents can gather outside the gym doors, sign-out their students, and pick them up from this location. Visitors will not be permitted to gather inside the gym. Students will continue to be dismissed by color group.

**Safety:** When driving on campus, please slow down and be aware of your surroundings. There will be construction equipment moving throughout campus. Please be aware and yield when necessary.
