This is the Grand Finale for the 2021-2022 school year!

Hello Outdoor Club Members!

This event marks our last one for this school year. Thank you to all that were able to join us for other trips and I hope you are able to join us for this one. If you never camped overnight before, this is the perfect opportunity to try it out! We will be camping on our school's campus and close enough to the pavilion so the restrooms will be within range. Tents will be provided so you will only need to bring the items listed on the supply list below. If you have any questions, feel free to reach out to me!
