

Help pave the way for the next generation!
**Become part of Bear Creek Community Charter School
history by contributing to its future!**

The original Pathways to the Future Paver Project was so successful when we opened the new school, we decided to bring it back for a limited time!

We need community support to help us continue making investments in our beautiful 325 acre campus, including a community nature trail, community playground and recreational pavilion.

Purchase an engraved paver and honor a graduate, remember a friend or loved one, or pay tribute to someone who has made a difference in your life.

The pavers will be incorporated into upcoming campus improvements, and may be engraved with names or phrases that will become a lasting tribute to those who participate in this limited-time opportunity.

Your participation in this fundraising event represents a significant commitment, one that is meaningful and lasting!

Your contribution may also be tax deductible – consult with your tax advisor.

Additional sponsorship and donor options are available to support Bear Creek Community Charter School's campus improvement campaign. Contact Joanna Colleran at 820-4070 for details.
