

Butterfly House

Bear Creek Community Charter School @ Ten Mile Run

Bear Creek Community Charter School is excited about this newest addition to our campus! Students, families and the local community will enjoy the new Butterfly House that will be added along our pond, adjacent to Anita's Garden. Construction begins later this month, and we expect work on the gardens, fish pond, and other features to continue through next spring and summer. We anticipate to be fully operational for the spring of 2020.

Students will raise caterpillars each spring as part of the Science curriculum, observing the various life cycle stages in the development of a butterfly, and will release the new butterflies into the Butterfly House prior to the end of the school year. The Butterfly House, as well as Anita's Garden, will be open to the public during non-school hours.

of it.**

The new Butterfly House on the Bear Creek Community Charter School Campus will include educational displays regarding the life cycle of butterflies, the importance of pollination for our food supply, and more! The Butterfly House will contain hundreds of perennials that service as habitat, food supply, and a nectar source for a variety of butterflies along with a fish pond and other interpretive displays. Also on permanent display will be a billboard with a list of donors - "The Caterpillar Club" - who have helped make the Butterfly House possible. For a \$10.00 donation, you can add your name, or the name of an existing student, alumni or a loved one to the Caterpillar Club donor board. Donations are tax-deductible.

Additional sponsorship opportunities are available throughout the Butterfly House, including specific garden plots, foot bridge, fish pond, and more! Contact Jim Smith at jim.smith@bearcreekschool.com for more information on these opportunities to help bring our Butterfly House to life for our students and our community!

Your Name: _____

Name to Appear on Donor Board: _____

Telephone Number: _____

Please make your \$10.00 check payable to Bear Creek Community Charter School and mail it along with this form to Bear Creek Community Charter School, 30 Charter School Way, Bear Creek Township, PA 18702. **Thank you for your support!**
