Bear Creek Township, PA 18702

Dear Neighbor,

The Bear Creek Community Charter School PTO will be hosting our Fourth Annual Night at the Races on Saturday, March 3, 2018. Our school was founded on the importance of education in our community that expands not only in Bear Creek but also throughout the greater Wilkes-Barre area. Every dollar raised through the PTO goes directly back to fund activities and field trips for our children.

As a business and entrepreneur in our community, we are asking for your support in providing a donation in the form of a gift card, products or services to be raffled at our event. As a generous donor, we will acknowledge you in our pre-event advertising, throughout the evening. We are expecting upwards of 300 people to be in attendance that night!

If you have any questions in regards to our Night at the Races, please contact Kim Pugliese at kim.pugliese@yahoo.com or 570-262-0801 . We greatly appreciate your consideration and generosity.

We would like to receive all donations in by February 21, 2018.

Thank you in advance for your support,
The BCCCS PTO
