Report from Jim Smith

Our charter expires on Aug 29, 2019, we cannot operate unless WB school district approves us  
Our charter can only be denied for a select number of reasons under the law, and I am 100% certain we meet all the requirements, if we don't get the charter it will be political.

The board of trustees have agreed to hire outside legal representation if needed

We have no legal issues so there should be no reason we wouldn't get our charter back. If things go south, all parents will be notified and will need to engage. The charter has to be renewed every 5 years.

We have 297 kids on waiting list, a modern facility, finances are good, our teachers are certified, etc.

Professional development this summer in K-5 for the teachers

Mrs Soroka doing a summer reading contest this summer

Parents\_satisfaction survey, in the charter, we are required to do it, last year was the highest response at 70% we want to meet 70% or greater this year so please get those surveys back in

New truancy laws in effect, school had to file six criminal complaints against parents and don't want to do it. If your child misses time, please turn in an excuse.

Thank you for Teacher Appreciation. It was a great day.

Maintenance Staff working on a nature trail.

Delayed on getting construction started, but main trail open for next fall.

Environmental and historical stations

Adding 2 more classrooms for more space.

We want to reduce class sizes in future to add more classrooms, 5-6 years

We are losing some paraprofessionals, we decided to hire more teachers

Heads up, staffing changes this coming year. Once the board approves it at the end of May it will be shared w the teachers, it will only make us better.

Discipline issues are up this time of the year,

Thank you, it was a great year, I appreciate everything.

Our parents play a critical role in our success. Actively through PTO and other activities. We cannot be successful as we are without the parents of this school.

Teacher gift card, Mrs Kasper

Thank you for another great year.. Next Meeting, September 2018, Hope to see you all there! Have a great summer!
